46TH ANNUAL TRAINING CONFERENCE

May 30-June 2, 2010

San Diego, California

Letter From The President

January 11, 2010

On behalf of the Executive Board of the National Association of Extradition Officials, it is with great pleasure that I invite and encourage you to attend the NAEO's 46th Annual Training Conference at the beautiful San Diego Marriott Hotel & Marina in San Diego, California.

The Executive Board has worked very hard this year to develop a program that provides practical and timely information on extradition issues, with emphasis on the core training goals that benefit all officials involved in the extradition process. This year's program will focus on quality presentations from experts in their respective fields, offering legal and administrative insights for attendees new to the extradition process, plus provide an opportunity for seasoned extradition veterans to problem solve and brainstorm with their counterparts.

Each state's extradition process can often have unique operational characteristics, requiring extradition officials to navigate through differing procedures in multiple jurisdictions. The NAEO conference provides one of the best venues for sharing and exchanging the type of information that can likely inspire creative solutions for improved efficiencies within the extradition process at your particular agency.

We will once again have the bulletin board located at the registration desk where attendees can post comments, questions and schedule one-on-one training with a board member considered an expert on your specific concerns.

Conference registration fees will include for the first time this year a CD containing handouts from each speaker with the detailed law report and the usual hosted events. There will be a welcoming reception on Sunday to meet, greet and reacquaint with attendees. We will have a gala on Monday night, and a Tuesday luncheon, which provide attendees the opportunity to network with colleagues.

First discovered by Juan Rodriguez Cabrillo in 1542, San Diego is rich in history and the second largest city in California. Its top three attractions are the world famous San Diego Zoo, Sea World and the Gas Lamp Quarter. Besides a broad range of attractions that should satisfy everyone's interests, it has some of the best weather and beaches on the west coast. So we hope you can find the time and resources to join us for what we expect to be a rewarding, educational and memorable experience.

The tentative agenda is attached and if anyone has questions or suggestions feel free to e-mail me at wlliverm@ag.state.nv.us, and don't forget to checkout the NAEO website at <http://extraditionofficials.org>.

Sincerely

Wendy Livermore, NAEO President
